2023

Here at Gold's Ice Cream we are passionate about creating the very best Gelato Ice Cream.

Our award winning Gelato Ice Cream is freshly made to order by hand.

We use a traditional Italian recipe using fresh milk and cream.

All our individual flavours are made with real food, such as fruit pastes, nuts, chocolates, sweets, biscuits and spices.

The end result is a Gelato Ice Cream with a silky smooth texture and a delicious creamy flavour.
